A technical diagram of a bridge deck cross-section. It shows a stepped transverse joint between two sections of the deck. The left section has a circular opening, and the right section features a stepped profile. A question mark is placed above the joint area.

A decorative horizontal banner at the bottom of the page. It features several large, hollow hexagonal shapes arranged in a staggered pattern. Between these shapes are solid blue circles and some smaller, solid black shapes. The overall design is modern and abstract.

This horizontal strip is a panel from a Japanese manga. On the left, a character's face is shown in profile, looking towards the right. The character has short hair and is wearing a dark-colored garment. To the right of the character is a stylized representation of a city skyline with various buildings and structures. The art style is typical of manga, with bold outlines and flat colors.

A blue circular stamp from the National Diet Library (国会図書館藏). The text "國會圖書館藏" is arranged in a circle around the center, and the number "002480" is in the middle. A handwritten signature is to the right of the stamp.
